

CONTRACTOR'S BID
EXCLUSIVE FRANCHISE
FOR RESIDENTIAL & COMMERCIAL SOLID WASTE
COLLECTION & DISPOSAL SERVICES MT. STERLING, KENTUCKY

TO: The Mayor of Mt. Sterling, Kentucky, Bid of _____
(AN INDIVIDUAL), (A PARTNERSHIP), (A CORPORATION), duly organized under the laws of the State of Kentucky.

The undersigned having carefully read and considered the terms and conditions of the Contact Documents for Exclusive Franchise for Residential and Commercial Solid Waste/Recycling Collection and Disposal for the incorporated area of the City of Mt. Sterling, Kentucky, and being familiar with local conditions affecting the cost of work, does hereby offer to furnish, at the rates hereinafter set forth, all labor, equipment, materials, tools, insurance, supervision, and all other items necessary to provide the service as specified. The area to be served is the incorporated area of the City of Mt. Sterling, Kentucky. Subscription shall be mandatory. Bids will remain effective regardless of units served. The City of Mt. Sterling will notify the Contractor of any new unit construction based on building permits and city annexations.

Name of Bidder (Company Name): _____

Address of Bidder: _____

Phone Number (Operations Center): _____

Manager or Owner's Name: _____

Contact Information Number: _____

RESIDENTIAL WASTE/RECYCLING COLLECTION BIDS

The area to be served is the incorporated area of the City of Mt. Sterling, Kentucky consisting of an estimated 2,900 occupied housing units. Subscription shall be mandatory. Figures are based on the U.S. Census data for the year 2010 and information obtained from the Kentucky Department of Economic Development and Mount Sterling Water and Sewer System. Figures provided are for informational purposes only, not intended as a basis of bids or payments. Because of the possibility of data errors, population changes, annexation, etc., the actual number of units served per month during the contract period may change significantly from this estimate. Bids will remain effective regardless of units served. Senior citizens (60 years of age and older) or Permanently Disabled (proof of disability such as award letter confirming 100% disability and provided by any government agency or public/private retirement system shall be required to qualify for any disability rate) subscribe to residential service shall pay a rate that is reduced by a minimum discount of 20%. Example: Class A rate of \$10.00 — 20% discount = Class B rate of \$8.00.

The City will select either OPTION A , OPTION B , or OPTION C based on the bids submitted.

OPTION A is one of three options the City will consider for selection.

Residential Class A OPTION A

Service	Rate
Curbside collection one (1) time per week for refuse with Contractor supplied container (approximately 90 gallon) and one (1) time every other week for recyclables (includes disposal) with Contractor supplied container (approximately 65 gallons).	\$ _____ Monthly
