Kentucky Open Records Act – Request

What is the Kentucky Open Records Act

The Kentucky Open Records Act (KRS 61.870 to KRS 61.884), or KORA, provides access to public records that, by law, are not exempt from disclosure. For more information on the act, visit the Kentucky Office of the Attorney General Website at <http://ag.ky.gov>

What are public records?

Public records are those materials prepared, owned, used, possessed, maintained or retained by state and local government agencies that must be open for public inspection unless the records are excluded by any of the 14 exemptions in the Kentucky Open Records Act. Public agencies are not required to compile information or to answer questions, but to provide only specific records responsive to a request. For more information on the 14 exemptions and other KORA information, visit the Kentucky Office of the Attorney General Website at <http://ag.ky.gov>

Is there a cost for records?

There is a charge of \$0.10 per released page.

What is the timeframe for a response to my request?

State law requires a written request to an open records request be issued within five days (excluding weekends and legal holidays). The five-day time frame begins the day after receipt of the request. For more information, go to <http://ag.ky.gov/civil/orom/> and click on “Protecting Your Right to Know”.
